

# MP

When in [MP](#) in a 6 max game, you will be the second player to act pre-flop. In a [full ring](#) game, you will be the fourth player to act pre-flop.

Being in [MP](#) often leaves players at a positional disadvantage to players calling, or [raising](#) from the [CO](#) and [Button](#).

Raises from [MP](#) are typically perceived as representing a strong [range](#) of hands.
